Dear Mr. Fry:

The Georgia Underground Storage Tank Management Program has received your letter, dated February 24, 2000, that forwarded a properly certified Corrective Action Plan - Part B Report. The report was prepared by Science Applications International Corporation (SAIC).

The technical proposal contained in the CAP-B Report for further investigation, monitoring and/or remediation of the current release is hereby approved by the USTMP. As a result of your report being technically approved, you are authorized to begin implementation of this plan.

Please submit an updated milestone schedule by **July 5, 2000**, listing specific dates, events and a timetable to complete the proposed activities. If you have any technical questions, please contact me at (404)362-2687.

Sincerely,

William E. Logan
Senior Geologist
