SUBJECT: AAFES Furniture Store, Heating Oil UST, Building 419 – Ft. Stewart, Georgia

Dear Ms. Rutland:

The Georgia Environmental Protection Division (EPD) has reviewed the Final Monitoring Only Report No. 4, November 18, 2021, Groundwater Sampling Event prepared by Aerostar SES LLC for the petroleum release site referenced above.

EPD approves of the request for no further action for the heating oil release referenced above. However, further corrective action may be required, if mandated through more stringent state or federal statutory or regulatory changes. Additional measures may also be required if existing or future drinking water systems or surface water bodies within two miles of the site are impacted by any dissolved contamination resulting from this release, or if previously unidentified soil contamination, dissolved contamination or free product are identified as originating at the site.

Feel free to contact me at 470 251 2415, if you have any comments or questions.

Sincerely,

James S. Guentert, PG
Geologist III
