Bring Your Passion to Life

Teamwork and drive are at the heart of PSA. We are committed to growing our company where passion is shared, professional excellence is expected, and all people are valued and respected. It's the PSA Way.

About PSA Airlines

PSA Airlines operates an all-jet fleet consisting of exclusively Bombardier regional jet aircraft. We have an incredible team of more than 5,000 employees who do a tremendous job of operating more than 800 daily flights to nearly 100 destinations on behalf of American Airlines.

Mission

To always deliver satisfied customers to their destination, safely and on time.

Purpose

To strengthen American Airlines and create opportunities for our people and our customers.

Leadership

We are investing in our people. We are focused on creating a culture of learning and investing in our employees for the future of PSA. It is important that we continue to grow in our leadership abilities, find ways to work better with one another, become more effective and come together as a team.

PSA Base Locations
