

PEOPLE FIRST

**MODERNIZATION
AND INNOVATION**

**DEPLOYMENTS
AND REDEPLOYMENTS**

INTEGRATION

Our priorities and vision are set by the Senior Commander. The 3rd Infantry Division is the Hammer of America's Contingency Corps. 3rd ID units are trained and ready to deploy, fight, and win at first contact. We provide combat ready forces to combatant commands that are trained, equipped, manned and maintained to meet mission requirements. Our Soldiers and Families are integrated into a supportive community that has pride in being the home of the Marne Division

Fort Stewart-Hunter Army Airfield

**FORT STEWART
HUNTER ARMY AIRFIELD**

**THE ARMY'S HOME IN
COASTAL GEORGIA**

NATIONAL STRATEGIC ASSET

Fort Stewart-Hunter Army Airfield is the Army's Premier Power Projection Platform on the East Coast. We are responsible for training, equipping, deploying and redeploying active and reserve component Army units. And we are the home to the historic 3rd Infantry Division.

Stewart's 288,000 acres provide unequalled joint training opportunities along the Eastern seaboard for all branches of the military.

Seven major drop zones, multiple tank and armored fighting vehicle gunnery ranges, small arms ranges and three live-fire maneuver areas contribute to the Department of Defense's ability to train joint forces on the East coast.

Hunter Army Airfield's location in Savannah plays a critical role in the post's deployment capabilities. The largest military aircraft can land at Hunter, load the biggest equipment in the Army inventory, and then deploy both equipment and Soldiers within an 18-hour wheels-up timeline to contingency operations anywhere in the world.

THE PEOPLE

Stewart-Hunter employs over 25,550 people, making it one of the largest employers in Coastal Georgia. 21,200 full-time Soldiers, 4,350 Army civilian workers and contractors, and more than 19,000 military retirees call Stewart-Hunter communities home.

THE PROPERTY

Over 10,200 Soldiers, Family members and Army civilians reside on post. There are 3,268 Family housing units, 334 unaccompanied housing units and 6,177 barracks spaces. Stewart-Hunter comprises 22.4 million square feet of facilities totaling \$7.5 billion.

THE COMMUNITY

Stewart-Hunter has a combined economic impact of \$4.9 billion in Coastal Georgia. Military and civilian pay contribute more than \$1.4 billion to the economy. Retiree income adds an additional \$164 million.

THE COMMITMENT

Stewart-Hunter is an Army Community of Excellence, earning the Chief of Staff's top award 7 times from 2004, 2005, 2006, 2009, 2012, 2015 and 2019 for being the best place to live, train, work and raise a Family. The installation earned the bronze award in 2018 and is the Great American Defense Communities award recipient for 2021.
