Job Summary

As a Database Administrator, you'll ensure the databases that support our technology systems are designed and performing as needed and provide the necessary data to the appropriate team members.

Responsibilities

- Work with our developers and business analysts to create and modify our database structure
- Monitor the performance of the database servers
- Perform database maintenance tasks, including backups/restores, updating statistics, rebuilding indexes, etc.

- Work with our data engineers to help map data in our production databases to our data warehouse
- Maintain system security and data integrity
- Work with our systems engineers to ensure optimal hardware and storage subsystems
- Develop, manage and maintain a strong disaster recovery and high availability plan
- Install, upgrade and patch the database servers
- Participate in code and design reviews
- Participate in production code pushes

Benefits and Perks

Our team members fuel our strategy, innovation and growth, so we ensure the health and well-being of not just you, but your family, too! We go above and beyond to give you the support you need on an individual level and offer all sorts of ways to help you live your best life. We are proud to offer eligible team members perks and health benefits that will help you have peace of mind. Simply put: We've got your back. Check out our full list of [Benefits and Perks](#).

Who We Are

Rocket Companies® is a Detroit-based company made up of businesses that provide simple, fast and trusted digital solutions for complex transactions. The name comes from our flagship business, now known as Rocket Mortgage®, which was founded in 1985. Today, we're a publicly traded company involved in many different industries, including mortgages, fintech, real estate and more. We're insistently different in how we look at the world and are committed to an inclusive workplace where every voice is heard. We're passionate about the work we do, and it shows. We've been ranked #1 for Fortune's Best Large Workplaces in Financial Services and Insurance List in 2022, named #5 on People Magazine's Companies That Care List in 2022 and recognized as #7 on Fortune's list of the 100 Best Companies to Work For in 2022.

Disclaimer

This is an outline of the primary responsibilities of this position. As with everything in life, things change. The tasks and responsibilities can be changed, added to, removed, amended, deleted and modified at any time by the leadership group.

We are proud equal opportunity employers and committed to providing an inclusive environment based on mutual respect for all candidates and team members. Employment decisions, including hiring decisions, are not based on race, color, religion, national origin, sex, physical or mental disability, sexual orientation, gender identity or expression, age, military or veteran status or any other characteristic protected by state or federal law. We also provide reasonable accommodation to qualified individuals with disabilities in accordance with state and federal law.
