

DEPARTMENT OF THE ARMY
103RD INTELLIGENCE AND ELECTRONIC WARFARE BATTALION
630 WILLIAM H. WILSON AVENUE, BLDG 520
FORT STEWART, GEORGIA 31314

Dear Dagger Soldier,

On behalf of the entire battalion, welcome to the 103rd Intelligence and Electronic Warfare Battalion. We would like to extend our personal and warmest welcome to you and your family.

You are joining a premiere organization specifically designed to provide intelligence and electronic warfare capabilities to 3rd Infantry Division. We pride ourselves on being a cohesive, highly trained, disciplined, and fit unit with expeditionary level readiness. We train hard so we are prepared to deploy, fight, and win our nation's wars.

Our #1 line of effort in this battalion is *Taking Care of the Dagger Family*. The end state is that individual Soldiers and family members are provided excellent support and have the tools necessary to be strong and resilient members of this team.

Attached you will find maps of Fort Stewart, helpful contact information, in/out processing, online training requirements, and fact sheets for any emergencies or issues prior to signing in. Please use these resources to help ensure your arrival is as easy as possible.

We look forward to you and your family joining this great organization. We believe you will find your assignment here to be challenging, yet rewarding and enjoyable.

Top of the Rock!
