2. Additional training opportunities are available through the MSTC staff. Specialized training, such as K9 Tactical Combat Casualty Care (TCCC), Advanced Life Support (ALS), Just-In-Time (JIT) training, and facility utilization are updated throughout the year and will be announced as courses become available.

3. Train-the-Trainer opportunities for 68W personnel to conduct Combat Lifesaver (CLS) instruction at the unit level are available upon request.

4. Contact the MSTC to confirm course availability and training requirements. Course application packets must be completed and signed for enrollment consideration. Course slots are reserved on a first-come, first-served basis. Medic Table training and CLS are ATRRS-managed courses. Once enrollment forms are submitted to the MSTC, participants will be formally registered in ATRRS.
