## **USAG STUTTGART VRO Temporary Plate Policy**

Monday –Friday: 0800-15:00  
Last working day of the month: Closed  
Closed on US Federal Holidays  
German Holidays- Appointment ONLY

- The purpose of these temporary plates is for you to process your vehicle through the mechanical safety inspection procedure and have enough time to affect any repairs if needed. Temporary plates will not be used for leisure travel outside of Germany; Temporary plates are only valid within Germany.
- **Only USAREUR-AF Inspection locations on US/Nato Installations within Germany are authorized to issue inspections for vehicles registered on Temporary plates. Tüv, DEKRA, KUS or any other off installation inspection is not acceptable.**
- No other vehicle registration office can finalize your transaction. **Our office only issues and accepts (TS) temporary plates. All other issued temporary license plates issued from other offices must be returned to where they have been issued.**
- You must return the USAREUR temporary plates prior to the expiration date, regardless of pass or fail. If the vehicle has passed, you will be issued the Euro/German style license plates. If the vehicle fails inspection, you must return to the same inspection point after repairs for reinspection. The failed and following passed inspection must be turned into vehicle registration to obtain permanent plates.
- If the vehicle fails for an IMMEDIATE SAFETY HAZARD/ UNSAFE TO OPERATE, you must turn in the temporary plates and register non-operational immediately. Relocation of the vehicle to authorized location for storage or repair is the responsibility of the owner. Vehicles may not be left in VRO Parking Lot.
- If your plates are lost / stolen, you must immediately make a report with the local Military Police. You must bring in your AE FORM 190-1AU, a new insurance confirmation card (ICC) and payment for the lost / stolen license plate(s) and new registration transaction fee.
- **Should you anticipate any type of absence during the temporary license plate registration, you must turn the plates in to finalize your transaction. Failure to return temporary plates prior to the expiration date will result in a notification being sent to your command and the local Military Police and the loss of registration privileges may occur.**

**\*\*\*ABSOLUTELY NO EXTENSIONS WILL BE MADE\*\*\***

**Only 2 sets of temporary plates will be issued. There will be an additional fee for expired temporary plates. NO POA's will be accepted, unless the grantee is the spouse of the sponsor.**
