

Congratulations on the birth of your child!!

Please follow these instructions to properly establish identity and citizenship for your child for the rest of their life.

You MUST have an appointment with the Stuttgart Passport office even if you use eCRBA. Although the worldwide website says to make an appointment at your closest Consulate, this does NOT apply to Military Affiliated personnel.

PLEASE GO TO THE FOLLOWING WEB LINK TO SCHEDULE AN APPOINTMENT:
<https://rapids-appointments.dmdc.osd.mil/appointment/building.aspx?BuildingId=1060>

OR click on the Make an Appointment button on the Passport page of the USAG Stuttgart Garrison website or use the Garrison APP.

1. Print out the Report of Birth Checklist. Fill out the contact information at the top. The applicant is always the child. Gather all the ORIGINAL documents (bearing the seal of the issuing vital records office, court, or other authority) on the list; that apply to your family. We will check off the documents when we receive them. All original documents are turned in to the Frankfurt Consulate.

2. Follow the easy on-line instructions to complete your child's passport application. Use 000-00-0000 for the social security number. Follow all instructions. Here are some pointers to help you avoid the most common mistakes: You must use this office's mailing address. And then use a Physical address or CMR for your permanent address. Ensure that you use both biological parents' ORIGINAL birth names. Do NOT use the new mother's married name. (PS: "Have you ever been married?" refers to the applicant. Your infant has never been married. This may seem obvious now but not necessarily when you are suffering new-parent sleep deprivation.) Print out pages 5 and 6 of the PDF. Do not sign.

3. Option 1: Fill out the attached Application for Report of Birth Abroad (DS-2029) PDF on your computer! It MUST be typed and printed out. E-mail the Passport Office at:

usarmy.stuttgart.ID-europe.mbx.usag-stuttgart-passport@mail.mil to receive the fillable PDF if it is not attached. You may E-mail this to the Passport office to preview.

3. Option 2: AVAILABLE AFTER MARCH 28, 2019. Scan and save all original documents as PDF files on your computer. Register for an account at <https://travel.state.gov/content/travel/en/about-us/mytravelgov.html> and create an eCRBA application. When filling out Contact Information for Parent's,

YOU MUST USE THE STUTTGART PASSPORT OFFICE GROUP BOX E-MAIL ADDRESS: usarmy.stuttgart.ID-europe.mbx.usag-stuttgart-passport@mail.mil

Pay the eCRBA fee (\$100) on line. The Frankfurt Consulate will have your CRBA application once payment has gone through (within 3 days). They will forward your application to the Stuttgart Passport Office in 72 hours. You will still need to book an appointment, 3 WORKING DAYS OR MORE AFTER filling out the eCRBA, with the Stuttgart Passport office and ALL appear in person with all Original documents.

3. (Continued)

With either option, paper CRBA or eCRBA: You are applying for the equivalent of an American Birth Certificate. Follow all instructions. Pointers: Using your CMR address is mandatory on this application.

Blocks 24 and 25- parents must enter all dates of US residence starting from your birth forward, chronologically!

Blocks 26 and 27- Parents must enter all periods abroad in government service or as a dependent, chronologically.

You must be specific! If you moved around as a child, contact YOUR parent's for the specific DAY of each move as well as the city and state. Extend periods of residence to cover moving days until you established a new residence. Vacations, deployments and other temporary absences for schooling, TDY/TAD etc. are not residences and should not be listed.

(Example: You were stationed at Ft. Stewart and deployed to Afghanistan for 9 months then returned to Ft. Stewart; your residence was Ft. Stewart for this whole period.) Periods abroad as an Exchange Student or Missionary are NOT temporary absences.

Part B should be filled out by the biological father only if both biological parents were not married to each other for at least one year prior to the birth of the child.

US citizen parents married to Non-citizens must bring proof of living in the United States. See list above.

Married US citizen mothers must prove one year of physical presence prior to the birth of the child. See list above.

Married US Citizen fathers must prove 5 years of physical presence (prior to the birth) two of which must be after the age of 14. See above list.

It is expected that using the eCRBA process (Option 2 above) will result in a processing time of 6-10 weeks.

Do not plan any leisure travel during this period. Your baby cannot cross any borders without a passport and the parent's passports (and all other original documents) will also be at the consulate. If you are due to PCS, let us know at your appointment and provide orders as soon as possible.

A No-Fee Passport will take approximately a month longer and comes back separately.

9. When you receive the "Passport Pick-up" E-mail, only one parent with their ID card needs to come in to pick up the entire packet. You should bring a SOFA Request Form (AE600-77A) so that we can produce a SOFA card for your child's passport which allows them to stay in Germany beyond the normal 90 day tourist visit. We will also provide assistance in applying for your child's Social Security Number at this time.

We look forward to meeting you and your newest addition to the family,

The Passport Office Team
