Customs Forms

Filling Out Customs Forms Online

You usually need a customs form to ship overseas, even with APO, FPO, and DPO mail. The form you need depends on the USPS® mail service you're using and the total value of what you're sending. Use Click-N-Ship® to print both international postage and custom forms or use the USPS Customs Forms tool to just print forms.

ALERT: As of March 13, 2020, USPS will no longer accept paper customs forms due to international regulations.

About Completing Customs Forms

For APO to APO follow the instructions below.

1. Create a customs form as you would if you were mailing it stateside
2. When you get to the page where you select "Type of Service" select Priority Non Flat Rate
3. Complete the rest of the Customs form as normal
4. Print out the customs form
5. Before you tape the form to your parcel, Blacken out the "P" in the upper right corner of the Customs form
