SUBJECT: USAG Stuttgart Command Policy Letter #20, Single Service Member Housing

10. ALCOHOL CONSUMPTION: Prior to signing for quarters, Service Members shall read and acknowledge Policy Letter #8 which is punitive and contains the USAG Stuttgart alcohol consumption policy. Service Members over 18 years of age may possess and consume alcohol in barracks. Although there is no limit on the amount of alcohol a service member may possess in quarters, commanders may impose appropriate possession limits in order to ensure good order and discipline. All Service Members who consume alcohol in barracks shall do so in a responsible manner. Service Members who are unable to consume alcohol responsibly are encouraged to seek assistance from the USAG Stuttgart Alcohol and Substance Abuse Program. Service Members are encouraged to intervene when they suspect that others may be abusing alcohol.

11. HEALTH AND WELFARE (H&W) INSPECTIONS: H&W inspections are authorized when conducted to ensure security, Military fitness, and good order and discipline. H&W inspections may be conducted without notice. Only commanders have the authority to order H&W inspections of their Service Members' barracks rooms. When Service Members attached to different commands share quarters, H&W inspections shall be coordinated among commands to ensure a thorough inspection of quarters and common areas. H&W inspections shall be conducted as follows:

- a. Unauthorized weapons or contraband discovered during a H&W inspection will be seized.
- b. H&W inspections shall be conducted in a reasonable fashion and shall not be used to single out one person because the command believes that individual may be involved in criminal activity.
- c. If a commander believes a Service Member possesses unauthorized weapons or contraband, the commander should coordinate efforts with CID and the Stuttgart Law Center Trial Counsel or unit Staff Judge Advocate before conducting any search.

12. VISITATION, OVERNIGHT, AND QUIET HOURS:

a. Visitors must be at least 18-years old. The Service Member host will escort visitors at all times. Service Members are responsible for their visitor's actions in the barracks. Any non-military visitor under 18, and not a member of the Service Member's immediate family, must be accompanied by a legal parent or guardian. Roommates must agree to all in-quarter's visitations. The right of privacy always takes precedence over visitation. Cohabitation is prohibited. There will be no overnight visits in barracks rooms, even if a Service Member is married to the visitor. Visitation hours are as follows:

- (1) Monday through Thursday: 1700 – 2100
- (2) Friday through Saturday: 1700 – 2200
