Customs Forms

Filling Out Customs Forms Online

You usually need a customs form to ship overseas, even with APO, FPO, and DPO mail. The form you need depends on the USPS® mail service you're using and the total value of what you're sending. Use Click-N-Ship® to print both international postage and custom forms or use the [USPS Customs Forms tool](#) to just print forms.

Print Postage & Forms

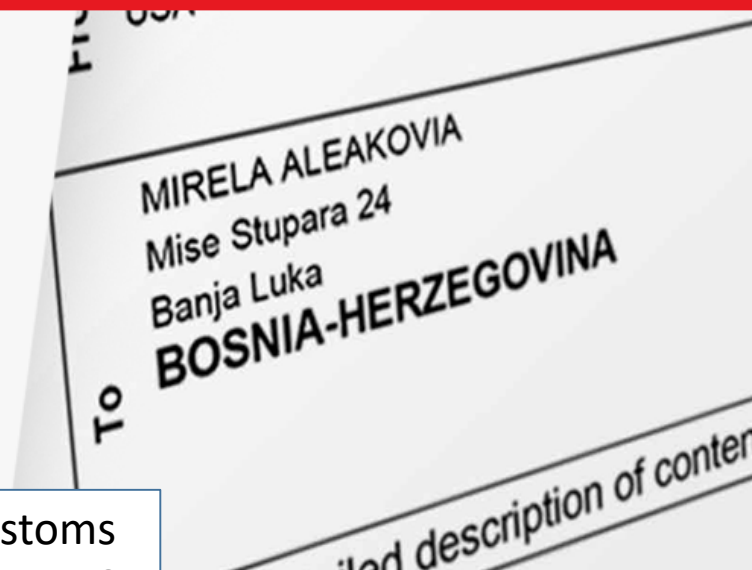

VERY important, select "USPS Customs Forms tool"! Selecting "Print Postage & Forms" will take you to Click-N-Ship, there you will have to pay online.

ALERT: As of March 13, 2020, USPS
