Quality

APUS is regionally accredited by the Higher Learning Commission (hlcommission.org)

Specialized programmatic accreditations:

- Council of Education for Public Health (CEPH) Accreditation – Master of Public Health (MPH)

- Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM) – B.S. Health Information Management

- Commission on Collegiate Nursing Education (CCNE) – MSN and BS in Nursing (RN to BSN)

- International Fire Science Congress (IFSAC) - BA and MA Emergency and Disaster Management & B.S. Fire Science Management

- Accreditation Council for Business Schools and Programs (ACBSP) - School of Business and Business programs

- Five time recipient of the OLC (Online Learning Consortium) Effective Practice Award … the first fully online university to receive this accolade.

- APUS has consistently been named a "Best for Vets College" by *Military Time*s, a distinction awarded to the University System annually since 2015.

- The National Security Agency and the Department of Homeland Security have designated American Public University System as a National Center of Academic Excellence in Cyber Defense Education (CAE-CDE).

We Maximize Undergraduate Transfer Credit

Up to 45 hours can be transferred to our associate degrees

Up to 90 hours can be transferred to our bachelor's degrees

Master's degrees and certificates vary by program

We are committed to awarding as much transfer credit as possible.

• Students with an A.A. or A.S. degree (or higher), from a regionally accredited institution recognized by the Council for Higher Education Accreditation (CHEA), are automatically awarded up to 30 general education credits with no general education courses required. Credits may vary based on specific program requirements.

Addition transfer credit can be earned through:

- Credit by Examination (AP, CLEP, DSST, etc.)
- Military Service and Education
- Public Safety Training
- Government & Professional Training
- Prior Learning Assessment
