

Fort Wainwright Police Department
Case Request Frequently Asked Questions
(FAQs)

- **When can I expect my case request?**
 - The turnaround time for a case request is entirely dependent on the nature of the case, whether the investigation is ongoing, and external factors beyond FWPD's control.
 - The Commander, First Sergeant, and Investigating Officers on appointment orders may receive a complete copy of any Law Enforcement Report that involves Soldiers assigned to their unit after legal opine has been returned.
 - In accordance with AR 25-55, reports involving criminal offenses can only be released if the case has been closed. In order for the case to be closed, our office must have received a completed DA 4833 signed by the commander or civilian authority (if required).

- **Why is my report redacted?**
 - Prior to a report being released to an individual, all PII (other than for the individual receiving the report) will be redacted from the report.
 - The Commander, First Sergeant, and Investigating Officers on appointment orders may receive a complete unredacted copy of any Law Enforcement Report that involves Soldiers assigned to their unit after legal opine has been returned.

- **How can I check on the progress of my report?**
 - Email your case status inquiries to usarmy.wainwright.id-pacific.mbx.des-police-admin@army.mil. Please include your name, approximate date of request, and case number associated with the case requested (or details surrounding the incident to better identify the case).
