Athletics

Spring Sports:

- Girls Lacrosse made it to the Section IX Class D title game.
- Bella Alberici is the Section IX Class D Player of the Year.
- Track and Field has 6 Athletes who qualified for the State Tournament.

West Point/HFIS Update:

- West Point has submitted paperwork to Section IX to become a member. Section IX and the State will vote on this in the coming weeks. If approved, this will allow West Point and HFIS to work collaboratively to co-op on modified sports where there traditionally has been low numbers (soccer, lacrosse, baseball, softball) while also allowing our teams to compete separately for those sports to maintain our friendly rivalry between HFIS and WPMS. This will be a work in progress, but this is the first step in supporting our students athletes and programs at the modified level.
