

DEPARTMENT OF THE ARMY
U.S. ARMY INSTALLATION MANAGEMENT COMMAND
HEADQUARTERS, UNITED STATES ARMY GARRISON WEST POINT
667 RUGER ROAD
WEST POINT, NEW YORK 10996

AMIM-MLG

SUBJECT: Welcome to the United States Army Garrison West Point

Welcome to the United States Army Garrison West Point. You are joining a historic and mission-focused installation that plays a critical role in developing leaders of character for our Army and our Nation. Whether you are a Soldier, Civilian, or Family member, you are now part of a team that sustains the world's premier leadership institution.

Our mission is clear: USAG West Point delivers the services, programs, and infrastructure that enable the United States Military Academy and the broader West Point community to live, train, educate, and thrive. Every member of this team contributes to that mission. Your professionalism, initiative, and commitment to excellence directly impact the readiness and success of the Army's future leaders.

As you begin your assignment, I encourage you to learn our mission, understand our priorities, and take advantage of the resources available to you. We are a learning organization that values teamwork, continuous improvement, and disciplined initiative. Your ideas, experience, and perspective matter. We succeed when every member of the team is empowered to contribute.

You will find that West Point is more than a duty station — it is a community. Our Soldiers, Civilians, and Families work together to uphold the Army Values and support one another. I ask that you stay engaged, communicate openly, and take pride in the important work you do each day.

Thank you for joining the USAG West Point team. I am confident you will make a positive impact, and I look forward to your contributions as we continue to strengthen the Army's home on the Hudson.

Go Army! Beat Navy!

Sincerely,

Taylor A. Cathey
CSM, U.S. Army
Garrison Command Sergeant Major

Daniel R. Stuewe
Colonel, U.S. Army
Garrison Commander
