Armed Services Blood Program (ASBP)

- For members stationed in Europe and the United Kingdom, ASBP (located in Landstuhl, Germany) hosts blood collection drives (whole units) in Wiesbaden every 56 days.
- The Red Cross station supports ASBP by facilitating appointments, offering volunteers for the day of the event, and fielding some pre-screen questions about viability for blood donation.
- If you have any questions about the qualifications of donating blood and the next hosted blood drive please contact ASBP or the Red Cross.
