AAFES Operation Hours Assessment

Request	Current	Desired	Future Changes	AAFES Comments
Expand Clay Shopette hours on weekends	M-F 0600-2200 S-S 1000-1900	M-F 0600-2200 S-S 0600-2200	Trial run of weekend hours 0800-1900 No change to weekday operating hours. Previous trial was unsuccessful.	<ul style="list-style-type: none"> Beginning 2 March, will conduct a trial period for Clay Shopette hours from 0800-1900 on weekends. Trial's success hinges on a demonstrable increase in sales rather than a redistribution of current sales. Previous trial, which ran after SAG-U's initial arrival, tested profitability of hours until 2200 on weekends. Trial data did not show demonstratable increase in profitability during the week.
Increase food court hours of operation 	Clay: Mixed Hainerberg: Mixed	Breakfast Hours/Offerings other than Dunkin'/Starbucks	Subway trial is studying Saturday profitability, and will remain open 1000-1500 on Saturdays through 6 April.	<ul style="list-style-type: none"> AAFES found these additional breakfast offerings to be unprofitable in the past, or simply cannot dictate offerings/hours of third-party vendors. Subway is trialing Saturday hours, 1000-1500. Trial underway through 6 April 2024. If successful, Saturday hours will become permanent. AAFES does not have influence over what third party vendors offer/when they choose to operate.
