

Leaders,

Please share this updated mask guidance with all personnel, update building signage and revise social messaging . GO #1 and ROM guidance will be updated and distributed this week.

1. Those individuals (military, civilian and dependents) who are fully vaccinated are no longer required to wear a mask indoors or outdoors at DoD facilities. The following exceptions in the SRO Wiesbaden area of responsibility require mask wear:

a. All medical facilities.

b. DODEA schools and indoor facilities.

c. CDC and CYS buildings and indoor facilities.

d. Contracted businesses (i.e., barber shops, beauty salon, PX vendor shops) mandated to follow host nation requirements.

e. Main Gate IACS Office.

f. Rheinblick Golf Course.

2. Individuals who are not fully vaccinated, will continue to follow applicable DoD mask guidance. Failure to do so is a violation of General Order #1, COVID-19 Public Health Measures.

3. All personnel, regardless of vaccination status, will comply with host nation guidelines when off DoD installations.

Very Respectfully,  
BG Jed J. Schaertl
