Processing Times

Due to limited staffing during the COVID-19 pandemic, you should expect to receive your document in 3 to 4 months. Some documents may take longer than 4 months due to nationwide shipping delays. Because of the unique nature of their records, they cannot provide expedited service. They can only provide official copies of records that are on file with the U.S. Department of State. Consular Reports of Birth Abroad created before November 1, 1990 may require an in-depth, manual search at the Washington National Records Center. A manual search can take months to complete.

You may check the status of your request by emailing VitalRecordsPublicInquiries@state.gov or by calling 202-485-8300.

Shipping Your Record

They will send your vital record to you. You can select First Class Mail or 1-2 Day Delivery:

- USPS First Class Mail: One to two weeks. No additional cost.
- 1-2 Day Delivery: Add \$17.56 to the \$50 check or money order.

Do not include a pre-paid express mail envelope with your request. This will cause a delay in delivery.
