## APPENDIX A

### OFF-LIMITS ESTABLISHMENTS, FIRMS, INDIVIDUALS, AND ORGANIZATIONS IN GERMANY

The following establishments, firms, individuals, and organizations in Germany are off limits to military and U.S. civilian members of the U.S. Forces who have status under the NATO Status of Forces Agreement and their command-sponsored Family members. The list is organized by the installation or garrison where the main office of the establishment, firm, individual, or organization is located. The prohibition applies, however, regardless of where the business is being conducted. If not obvious by the name of the business, the type of service the business provides is annotated in brackets.

## APPENDIX B

### SWIMMING AREAS IN EUROPE

#### B-1. APPROVED SWIMMING AREAS FOR MEMBERS OF THE U.S. FORCES IN EUROPE

The following guidance will be used to determine whether or not a swimming area is approved for use:

**a. Swimming Pools.** All public and private swimming pools (including hotel and motel pools with permission of the management) are authorized swimming areas. Adult supervision of children is required at all times.

**b. Sea Beaches.** All supervised sea beaches may be used for swimming and bathing unless specifically placed off limits by local commanders or local host-nation officials for reasons of health or safety, or as prescribed by [AE Regulation 190-24](#).

**c. Lakes and Rivers.** Ponds and water-filled rock quarries are not authorized for swimming. Lakes may be used when a designated swimming area exists that has on-duty lifeguards and established hours of operation posted and enforced. Rivers will generally not be used as swimming areas unless as part of a supervised sporting activity or similar event where qualified lifeguards are on duty and sufficient lifesaving equipment, communications equipment, first-aid facilities, and protective devices are available.

**NOTE:** According to Technical Bulletin Medical 575, Army-operated swimming facilities must have qualified lifeguards on duty when in use. All swimming areas must have sufficient lifesaving equipment, communications equipment, first-aid facilities, and protective devices available.

#### B-2. OFF-LIMITS SWIMMING AREAS

Based on the guidance in [paragraph B-1](#), garrison commanders will—

- a. Prepare a list of the off-limits swimming areas in their geographic areas of responsibility.
- b. Ensure the list of garrison-specific off-limits swimming areas is posted on garrison bulletin boards by 1 May of each year.
- c. Ensure the list of garrison-specific off-limits swimming areas is posted on the garrison webpage under Installation Support or Safety.
