MASK WEAR POLICY WITHIN UNITED STATES ARMY GARRISON WIESBADEN

1. The following masking guidance applies to all DoD installation and other facilities owned, leased, or otherwise controlled by the DoD. Unless otherwise determined, the masking guidance will be based on the CDC COVID-19 Community Level of risk and General Order 1.
 - a. When the CDC COVID-19 Community Level is high, indoor mask-wearing is required for all individuals, regardless of vaccination status.
 - b. When the CDC COVID-19 Community Level is medium or low, indoor mask-wearing is not required regardless of vaccination status.
2. The following exceptions in the SRO Wiesbaden area of responsibility may require advanced mask wear protocols:
 - a. All Medical facilities per direction of DHA or MEDCOM.
 - b. DODEA schools and indoor facilities per direction of DODEA.
 - c. CYSS facilities and programs per direction of IMCOM.
 - d. Commissary per direction of DECA.
 - e. Contracted businesses or facilities mandated to follow host nation requirements.
3. General Officers and SES directors may direct a more restrictive mask wear policy for their units, elements, agencies and facilities.
4. All personnel, regardless of vaccination status, will comply with host nation guidelines when off/outside DoD installations, facilities and vehicles.
5. This policy is effective immediately. It will remain in effect until rescinded or superseded.
