Operation Support the Force

- Going on now, through the end of the year, we are collecting food and toiletry items to help make the holidays a little brighter for service members and their families.
- Put your purchased items in the carts located at the front of your local commissary and the USO will collect them for distribution to families in need.
- Agencies supporting this operation are ACS, DECA, USO, MWR and ID-E.

- Operation Helping Hands (OHH) is a ministry that assists Service Members and their dependents, and Department of Army Civilians and their dependents, with acute short-term problems resolved with financial relief.
- OHH eligible Department of Army Civilians will be Appropriated Funded (AF) and Non-Appropriated Funded (NAF).
- When feasible, OHH recipients should pursue other financial assistance before using OHH. OHH complements helping agencies such as Army Community Services (ACS), Army Emergency Relief (AER), and the Red Cross.
- There are three different OHH programs.
 - (1) OHH is available throughout the year. An applicant initiates OHH applications through their organic Unit Ministry Team.
 - (2) OHH November and December Holiday mimics the OHH available throughout the year but is publicized in a USAG Wiesbaden OPORD.
 - (3) OHH Operation Support the Force is pending legal approval and review.
