MEMORANDUM FOR ECCC-RC Resident Phase Students

SUBJECT: Reporting Requirements for all ECCC-RC Resident Phases (Phase II & IV)

1. You are receiving this letter because you currently hold a reserved (or wait pending walk on) seat in ATRRS for the Engineer Captain's Career Course – Reserve Component (Phase II or Phase IV). In order to attend Phase 2 you must have successfully completed Phase I Common Core prior to attendance. In order to attend Phase IV a final course graduation cycle you must have completed Phase I, II, and III prior to attendance. These prior phase prerequisites/courses must be completed at a minimum 15 days prior to the class start date or be a risk of academic disenrollment due to failing to meet course requirements (i.e. phase 2 must have phase 1 completed and phase 4 must have all 3 phases completed prior, listed in ATRRS you should not schedule courses until completion of course with certificate for verification)

a. Reporting: You are required to arrive between 0800 and 1500 hours in APFU on your report date, as in-briefs and classes begin at 1600. In-processing will begin upon arrival in C/554 (BLDG 11470, RM 208, Big Piney Road, Fort Leonard Wood, MO, 65473). If your current travel arrangements do not meet the aforementioned reporting requirement, you are required to contact your DTS manager to ensure the correct travel arrangements are made. You are assigned to C/554 EN BN for the duration of the course.

1) https://home.army.mil/wood/index.php/units-tenants/USAES/Orgs/1stENBDE/554thENBN/554THENBN_CCO
(unit homepage/POC list)

b. Please see attached packing list for required documents during in-processing.

c. Upon completion of in-processing with C/554, report to MSCoE, Thurman Hall BLDG 3202, Third Floor, Room 3518/3538 NLT 1600 in ACU/OCP uniform.

d. If circumstances beyond your control mean you are unable to report at the required time, you must notify the company command and then report to staff duty at 7617 New Battery Street, BLDG 1016, Fort Leonard Wood, MO, 65473 no later than 2200 due to emergency travel arrangements (Phone: 573-596-2343 *Staff duty number only monitored after 1700 and on weekends, this building is a company CQ desk run by Delta Company, 554 En Bn*). If you fail to notify the command, do not report by the authorized time on day zero, and/or do not sign into the staff duty office you will be dropped from the course, and reported as a no show in DTMS/ATRRS.

2. Walk-On/Wait status: Officers may arrive to a resident phase of ECCC-RC in an ATRRS Wait status or as a Walk-on. They must meet two criteria before being accepted into the class: 1) have completed all prerequisites, and 2) seat availability. It is 100% the unit/command/State's risk for sending someone to the class, not in an ATRRS Reserved status, as they may not be accepted into the class, and sent home. Also, even if accepted into the class, per TRADOC Reg

350-70, AR 350-1, and Fort Leonard Wood (FLW) policy, all travel, lodging, and per diem is at the cost of the unit/command/State for the duration of the course.

3. Lodging (For Reserved Slot-ATRRS only): Per MTSS, your billeting arrangements have been made for you. For billeting assignments there are three locations in which to report, all of which are IHG Army Hotels. Candlewood Suites, BLDG 2020 on Nebraska Ave; Holiday Inn Express (Morelli Heights); or Warrior Lodge, BLDG 3240. Candlewood and Holiday Inn are staffed 24 hours a day while Warrior Lodge is staffed from 0530-1330 and 1500-2300. Check in starts at 1600, but if you call ahead (573-586-4800) and explain that you just arrived and your class starts at 1600, they may authorize you to check in early or confirm which building you can report too ahead of time. There are no guarantees you will get a room where you prefer, you are provided housing/billeting when you arrive based on availability. Early arrivals and/or late departures (except for OCONUS) are not authorized. If you arrive the evening prior to the start date and get a room, you will be required to pay for that evening yourself. No arrivals are authorized after 2300, rooms will be released back to IHG and other funded organizations in the waiting queue.

4. Meals: You will be given access by BN S1 to use your CAC as a meal card. After you in-process the company, you will travel to 554th EN BN S1 located at BLDG 1008 New Battery Street and the S1 will have your card given meal account access. Your CAC, per MTSS, can be used Monday-Friday during your two week stay. You will get the full per diem rate only for the weekends (the primary DFAC will be closed on the weekends) refer to the company for a full list of dining options. As such, during the standard work week, please plan to eat in the FLW DFAC's; otherwise you will be paying out of pocket for your meals. If you miss in-processing on Day 0 (Friday) you will report to 554th EN BN S1 at 0630 on Day 1 (Saturday) prior to the course timeline.

5. APFT and Height/Weight: IAW AR 350-1 you must take and pass an APFT and meet height/weight standards IAW AR 600-9 for all resident phases. If you fail to meet Army standards, you will be given a minimum of 7 days before retest. If you still fail to meet Army standards, you will receive a referred DA 1059 that states "Failed to Achieve Course Standards", and dismissed from the course. Additionally, a letter from the school commandant will be sent to either the Soldiers' State Adjutant General or first General Officer in the chain of command denoting deficiencies. Officers on a temporary profile are not authorized to attend this PME course.

6. MANDATORY COMPLETION of Pre-Course Quizzes: You have authorized access to USAES Blackboard Phase II or IV within two weeks of course start for course material and pre-quiz access. These pre-quizzes cover very important material critical for your understanding of coursework. It will also show your instructors your current level of understanding of the course material. The quiz questions are randomized, so using the answers from a previous sitting, would be futile. Minimum passing score is 70 to 80% depending on the module, and you must pass before you can move onto the next quiz. Getting this done prior to showing up is required to start the course due to levels of knowledge and doctrinal understanding. If you fail to complete these tasks, you will stay in the classroom on Day 0 until all material is complete, then again on Day 1 if need be, missing course instruction as necessary.

7. Wilson's Creek Staff Ride (Phase II): Required pre-reading material can be found at the following websites:

<http://www.civilwarvirtualmuseum.org/1861-1862/battle-of-wilsons-creek/>
<http://wilsonscreek.com/history>

You are required to bring necessary clothing items (i.e. wet weather gear, cold weather gear) for sustained outdoor activity as the staff ride is an all-day event, with limited access to shelter. Breakfast due to early departure and Lunch will not be provided this day since we will be off-site, therefore bring water, brown-bag lunch, and snacks as desired (weekend meal plan, Wilson's Creek Staff Ride is on a Saturday).

8. Warfighter Exercise (Phase IV): required pre-reading material can be found on Blackboard. Prior to which you will receive an MDMP, WFF, and OPORD block of instruction with exam. Prior to arrival to the course, you should read and be familiar with Chapter 9, The Military Decision-Making Process, of FM 6-0 Commander and Staff Organization and Operations, and Orders/Operations listed. Familiarize yourself with Mission Analysis; COA Analysis, Sketch, Development, and briefs; and all Warfighter Functions. Come prepared, as much of the MDMP, WFF, and OPORD portion of the course is student led (with coaching from the SGLs).

9. Transportation: Only your orders issuing authority can authorize a rental car. Government transportation is not provided by the installation to and from class. In the SH screen on ATRRS, line H reads: "h. GOVERNMENT TRANSPORTATION WILL NOT BE PROVIDED TO MEET LODGING, CLASS, AND MEAL REQUIREMENTS FOR Phase II AND Phase IV of ECCC-RC COURSES." Work all transportation reservations and issues through your unit prior to your arrival. Shuttle service from St. Louis, MO (STL- airport code) can be provided through USA Express at <http://www.usaxonline.com/> at cost to your travel expense. Alternate airports are located at Springfield, MO (SGF- airport code) and FLW (TBN- airport code). Springfield is approximately a 90 minute drive to FLW, while it is approximately a 2-1/2 hour drive from St. Louis. It is highly encouraged to fly directly into FLW regional airport (TBN- airport code) at <http://www.flyflw.com/>.

10. CAC Identification: Please ensure your CAC is updated and can be utilized to login to AKO and Blackboard. You will need your CAC to gain access to FLW computers and networks which is necessary for your training. Your unit must release you from their network in order to utilize the FLW network for training. Much of the course material is only available via Blackboard. Lesson slides and OPORDs will be available on Blackboard for your use. If you do not have a laptop for use outside of the course, the library has a limited number of computers and printers for student use. Personal Electronic Devices (PEDs) will not be authorized in the classroom. **Unauthorized reproduction and distribution of course content as well as wrongful treatment of sensitive course materials outside of the classroom is prohibited.** This includes the usage of personal electronic cellular devices during course sessions as well as personal and work/unit provided computers.

11. Bring the following valid and current documents when reporting:

DA705 (current within 60 days of course start), DA5500/5501 (current within 60 days of course start), Permanent Profile (current and signed by military provider), ECCC-RC Phase Entrance Requirements (ATRRS Reservation By Student (RS) Report- From Unit Training Manager, including FEMA/DSCA, and environmental certs for phase 4) certificates will no longer be accepted for phase completion, student data sheet, student waiver packet (if applicable), three (legible/scan-able) copies of your orders

(one sided), DoD Cyber Awareness Challenge and Acceptable Use Policy (AUP). See student packing list for further information.

12. End Date:

Phase II End of Course (EOC) Critique will occur at 0900 hours on the last Friday of the course. You will begin out-processing prior to, and/or thereafter. DO NOT expect to leave FLW prior to 1100 hours. You WILL NOT miss a scheduled event to out-process early so that you can meet inappropriately scheduled travel arraignments. There will not be a graduation ceremony conducted for Phase II.

Phase IV Graduation will occur between 0800 and 1200 hours on the last Friday of the course. You will begin out-processing prior to, and/or thereafter. DO NOT expect to leave FLW prior to 1100 hours. You WILL NOT miss a scheduled event to out-process early so that you can meet early travel arraignments.

13. Uniforms: ASUs are required for Phase II and Phase IV, APFU is required, cold and wet weather gear is required. During the Wilson's Creek staff ride or any other outside events you will be exposed to the elements for several hours (regardless of the weather). Please see files titled "Packing List" and "Army G1 Authorized Service Uniforms" for expectations of ASU, and APFU items, as well as Army G1 regulations regarding wear of ACU/OCP, and the new APFU. Fort Leonard Wood uniform policy (http://www.wood.army.mil/newweb/policies/CP_18.pdf) states that the APFU is worn on post during the hours of 0500-0830. Ensure you bring multiple sets as you will conduct PT daily. Ensure all your uniforms are fully serviceable. Be prepared to possibly wear business casual attire for a social event while at Fort Leonard Wood (see attached packing list for business casual attire).

RC-CCC DL on ATRRS/ALMS

The Reserve Captains Career Common Core (RC-CCC) distributed learning (DL) course is now available for registration through ATRRS. Course information is provided below:

Course Name: Reserve Captains Career Common Core (RC-CCC)

Course Number: 9-00-C23 (DL)

Course Iteration: 12/01/2018_crscl000000000020529

Army Reserve and National Guard officers that meet course prerequisites can register for the RC-CCC DL course through their unit training managers. Once registered, students will conduct 75 hours of asynchronous online instruction on the Army Learning Management System (ALMS). Upon completion of the RC-CCC DL course, students will have the ability to register for a designated branch-specific phase of the Reserve Component Captains Career Course through their unit training managers.

Schools using the RC-CCC DL as a prerequisite course should update their instructions to students to reflect changes to the registration process. This should include the procedure students need to follow after completion of the RC-CCC DL course. For schools that wish to establish an automatic "trigger function" in ATRRS from the RC-CCC DL course to a particular branch-specific phase of the Reserve Component Captains Career Course, please contact the Midgrade Learning Continuum (MLC) Team of the Instructional Design Division (IDD) for assistance. Point of contact is Mr. Sam Lex at 913-684-3365, samuel.j.lex.civ@mail.mil

Because the RC-CCC course is now in ATRRS, effective **28 February 2019** students will no longer have the ability to self-register for the RC-CCC DL course directly through ALMS. Students who self-registered in ALMS prior to **28 February 2019** will have one year from their date of enrollment to complete the course.

INSTRUCTIONS:

1. Log into ALMS by navigating to Caution-<https://www.lms.army.mil> < Caution-<https://www.lms.army.mil> >
2. Sign in using the EAMS-A Single Sign-On page.
3. On the left side of your ALMS Homepage, select the "Search for Training" link.
4. Type "Reserve Captains Career Common Core V2" in the catalog search field; click on "Search" button. You see the course listed below.
5. Click on "Begin Registration". You will now see the Selected Learning screen displaying the course topics/modules.
6. Scroll to bottom of the page and click the "Complete Registration" button. The "Registration Confirmation" screen is displayed.
7. Launch your course by clicking the Reserve Captains Career Common Core - Course Introduction - LOI topic "Launch" button contains the course Letter of Instructions (LOI), Reserve Captains Career Common Core Errata, and Reserve Captains Career Common Core - Course Introduction learning assignments.
8. On your ALMS Homepage locate the "Active Learning" portlet, the Reserve Captains Career Common Core Common Core course Topics will be available to launch directly from there.
9. Once you have closed the course topics, your completion will reflect so on your Completed Learning Transcript screen.

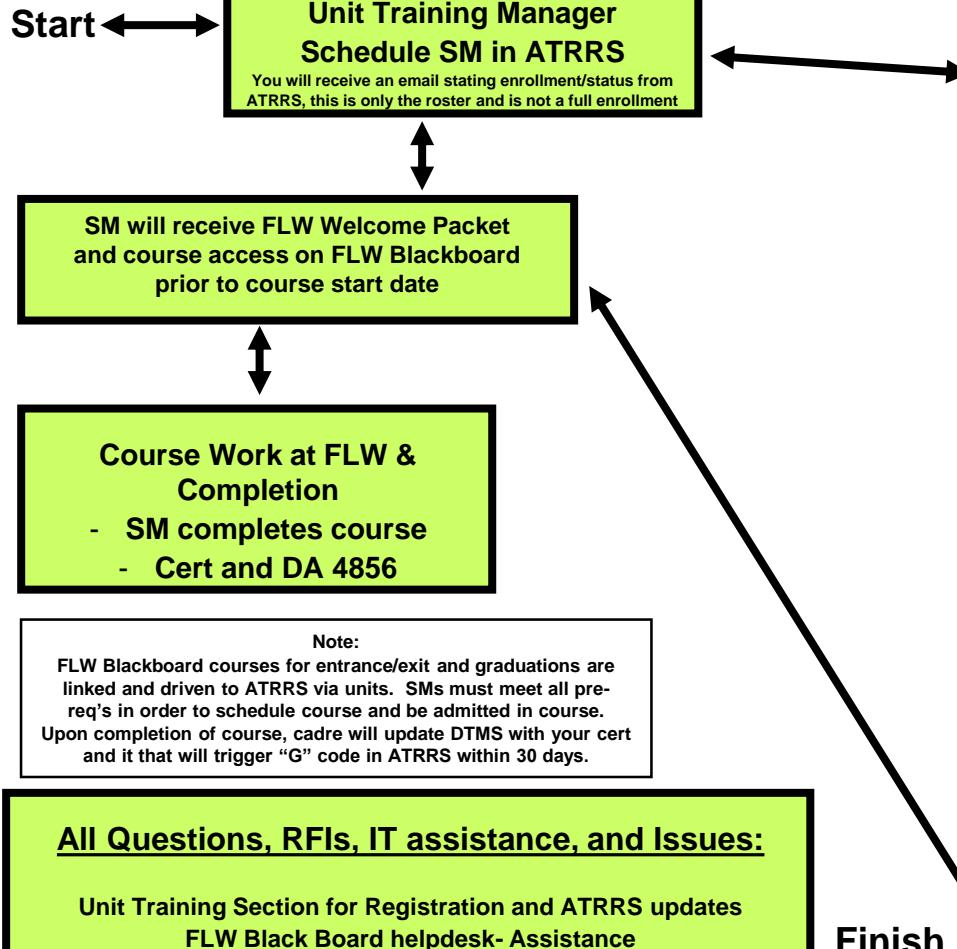

PRINT CERTIFICATE:

1. To print a certificate of completion for your records, on the ALMS Homepage click "Transcript" from the left navigation bar.
2. On the Courses or Certifications page, locate the Acquired Reserve Captains Career Common Core certification, and hover over the "Actions" link. The "Print Certificate" link will appear in the "Actions" bubble. You may click this to generate your certificate.

Course Scope And Special Information

Currently Effective 2018-06-13

Course Scope:
The Engineer Captain's Career Course -Reserve Component (ECCC-RC) will teach the reserve component officers the same tasks of the active component however, partially delivered in a distance learning (DL) format, followed by resident phases which reinforce the knowledge the officer obtained in the DL portions of the course. This course is broken into four phases: Phase 1 Common Core Doctrine (75 dl hours) School of Advanced Leadership and Tactics (SALT), Phase 2: Engineer resident Instruction (139 Hours), Phase 3: General Engineering Curriculum (98 dl hours) and Phase 4: Advanced Doctrine (112 Hours).

Special Information:
Phase 1 must be completed prior to attending Phase 2. Phase 1 must be completed first. Phase 2 and 3 may be taken out of sequence. Phase 4 is taken after completion of Phases 1-3.

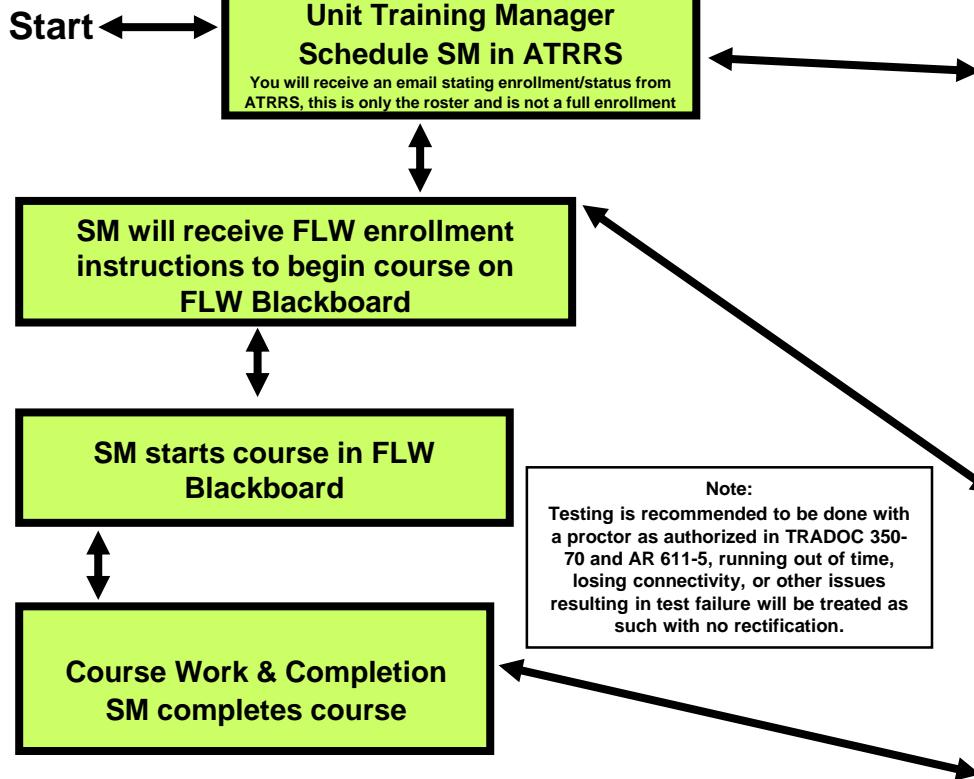

Finish

FLW Cadre generated email from ATRRS roster, email will have link, portal instructions, password, how to-way ahead, FAQs, etc.

SUBJECT: Engineer Captains Career Course Reserve Component (ECCC-RC) Phase 3 Class 001-18 (FY19).

c. **New enrollees to the new phase 3 (FY19) module.** The new phase 3 can be taken out of sequence after successful completion of (old or new) phase 1. Phase 3 must be completed prior to **scheduling phase 4 on ATRRS or attending the phase 4 resident training**. Additionally, the POI for the Phase 3 has been updated and the modules and tests have been changed. This is explained at the Phase 3 landing page with supplementary video, to assist all transitioning students. The updated FY 19 ISAP will contain a clause allowing students to be dropped from Phase 3, if they are inactive for more than 90 days. Students must show progress by logging in and completing modules. If a student is at risk of being dropped, they will receive an email notification stating the requirements they must meet to remain enrolled.

2. The fiscal source quota for FY19 ATRRS registrations has been increased to 288 students in phase 3 at one time. No more than 288 students at a time will be authorized to be in an active status on the course portal, regardless of the extenuating circumstances. New students can transition from a wait status to a reserved status on the portal, after other students graduate or are removed from the course for lack of progress.

FLW Cadre generated email from ATRRS roster, email will have link, portal instructions, password, how-to-way ahead, FAQs, etc.

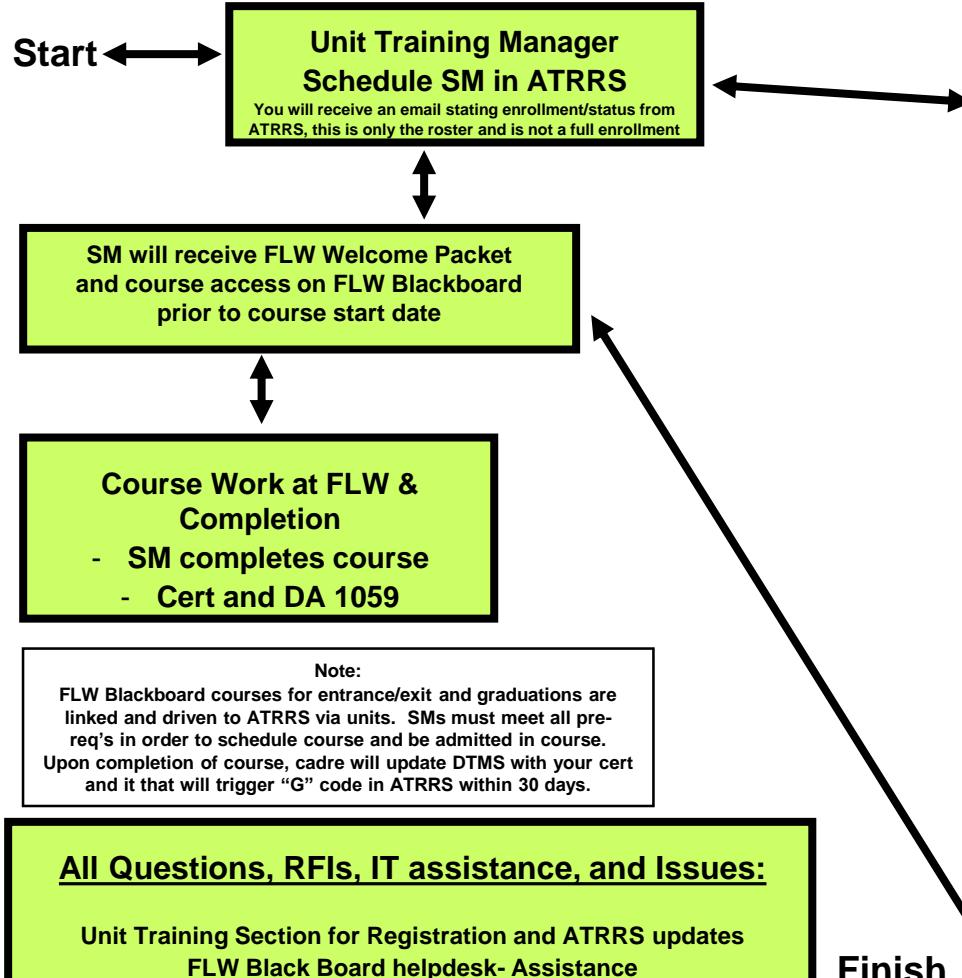

Note:
FLW Blackboard courses for entrance/exit and graduations are linked and driven to ATRRS via units. Upon completion of course, cadre will update DTMS with your cert and it that will trigger "G" code in ATRRS within 30 days.
