MILITARY POLICE JOURNAL

Vol. I. September 1951 No. 2

The Training and News Letter for Sep carries a statement about the new MILITARY POLICE ASSOCIATION. TPMGC publication was put in the mail 24 Aug. Copies are also being distributed to the more than 300 2nd Lts. of the MPC who have been ordered to EAD and will spend 90 days at Cp Gordon. Brief articles about the association have been furnished to the service press.

Officers: At a meeting on 4 Sep the Steering Committee by official action became the Executive Council of the MILITARY POLICE ASSOCIATION (for all services). Col F. E. Howard was elected the first president, to hold office until the initial regular election. Action was taken to make the Deputy, The Provost Marshal General, D/A, and any officers of the MPC promoted to general officer rank, honorary vice presidents of the association if they did not hold elective office. Col E. F. Penaa was elected vice president, Col T. G. Bradlee, retired of Washington, D.C., secretar treasurer and Majors J. F. Jubeck and E. K. Marx assistant secretary-treasurers. Lt Col R. E. Pearson and M.Sgt J. E. Cutshall were elected members of the Executive Council to fill the vacancies of Lt Col K. K. Kolster and Maj T. R. Smith who are on orders for the FEC. Lt Col S. H. Spillner was elected Chairman of the membership committee to direct the membership campaign for the association. Members of the Executive Council still assigned to TPMCC: Maj C. C. Blossom, Lt Col E. R. Cooley, Maj T. A. Hicks, Maj J. F. Jubeck, Lt Col A. C. Johansson, Maj E. K. Marx, Lt Col R. A. Sandin, Lt Col R. H. Slover, Maj C. L. Scott, and Lt Col S. H. Spillner

You can be helpful: Only those persons, civilians, enlisted and commissioned who have paid their $2.00 interim membership fee are receiving this issue of the MILITARY POLICE JOURNAL. Members of OA 4 agreed to act as missionaries in the recruiting of new members. It is hoped that all members will spread the word and submit applications (name and address with fee) for membership. The membership more than tripled in Aug and is growing steadily in Sep. Don't promise the impossible. A new organization must crawl before it can walk. We have definite goals and believe that an MP Assn can be of great value but it will take the cooperation of all to make the association the success that it should be. What have you done to date to help the baby grow? Application blanks, membership cards and other such normal adjuncts of an association will come along in due time. At present you will receive the MILITARY POLICE JOURNAL and are invited to secure other members and to submit news for the publication. Later we hope that the journal will be a magazine of some size. When depends on you and you and YOU! Write the Editor, MP Assn, TPMGC, Cp Gordon, Ga.

Leading Missionary: Col Noland, has taken practically all honors to date in sending in cash and membership applications. In one day he submitted 21. His territory so far has included VII Corps, 503d Bn, and the 317th (Jacksonville).

First from EUCOM: First membership applications from EUCOM came from Capt Dale Schultz, CO, Co C, of the 796th. Five names were on the line. They read about the association in the Army Times and lost no time in writing in. Thanks!

New England going strong: A conference was scheduled 23 Aug by the Military Police Committee in Boston. Representatives of all services were invited. Lt Col Raymond Emerson acted as chairman. 2nd Lt D. G. Merlin is secretary.

AA ll grows: Associate Advanced OS Class started 4 Sep and is getting bigger day by day. Members include: Bell, Bevins, Blackwell, Cerasoli, Ford, Gaffney, Cox, Kelish, Laub, Merry, Pearson, Pomar, Roush, Powhida, F. Taylor, Underwood, Jansky, Wilson, Mack, and Wittkower. Late addition, Capt Floyd.

OA Graduates: Letters have been sent recently to all graduates of OA, TPMGS, who could be located. We got some newsy letters. Thanks! The list later in this issue may give you data on some old friends. Write us if you have information about them. We plan as soon as possible to departmentalize the news and to give you personal information about members of the Corps on and off EAD. How much depends on your writing us so we can pass the news on to all members. The ROYAL MILITARY POLICE JOURNAL is one we'd like to copy for style and appeal.

Send memberships with money order or check to Maj J. F. Jubeck, S3 Sec, TPMGC.

Col T. G. Bradlee, Retired of Washington writes in part: "I am delighted to learn that an association has been organized. There has long been a need for an MP association and I believe there will be an enthusiastic response from both regular and reserve officers. I would be interested in participating in this program." we accept the offer with pleasure, Colonel.

Col B. V. Bryant writes in part: "Congratulations on putting across the association. I would like to suggest the name 'Provost Marshal Association of the Armed Forces' and that the publication be 'The Provost Marshal Journal'." Let's have your suggestions.

2nd Lt A. B. Rhodes, MPC RA, student at TIS, writes in part: "With the beginning of a two year tour with the infantry, directly following my appointment in RA, I was a bit put out. I felt that I was going to be completely out of touch with my chosen branch, MPC, however with the receipt of the Training and News Letter I was very pleased... I therefore want to thank you for this little morale boost and 'little bit of MPC'."

Promotions: Capt J. H. LePage was promoted to permanent Lt 8-9-51. Colonels F. J. Schuetz and R. G. Theiring to permanent Col 8-15-51. B. J. Sollitto was promoted to temporary Maj 8-16-51. See list in this letter for promotions.

Booklet: Capt W. H. Brandenburg has been transferred to MPC. Total RA now 383. (Unofficial record). A list of MPC RA Officers, by promotion list standing and by temporary rank is in the process of being printed. Copies when received from the printer will be available for 50 cents (stamps, 1s, 2s, or 3s we can use or add the amount to checks or money orders for memberships.) This is a money making proposition but you'll get your money's worth. Such a list has been desired by many for a long time and now it will be available at a reasonable cost. This will give every regular a chance to see where he stands in the RA and MPC and can be kept up-to-date. Place an order now for RA officers of your unit or post for the booklet being prepared by the association for your convenience. Changes are listed in this journal, from time to time and they will help you keep up-to-date. A list of all MPC officers on EAD is planned by OPMG according to latest reports. When ready it will be distributed in limited numbers through PMS of major commands.
