

DEPARTMENT OF THE ARMY  
HEADQUARTERS, 5<sup>TH</sup> ENGINEER BATTALION  
BUILDING 11401, NEBRASKA AVENUE  
FORT LEONARD WOOD, MO 65473-6400

Dear Future Fightin' Fifth Engineer!

Command Sergeant Major and I are absolutely thrilled to officially welcome you to the 5th Engineer Battalion and Fort Leonard Wood! Get ready – you're joining something special!

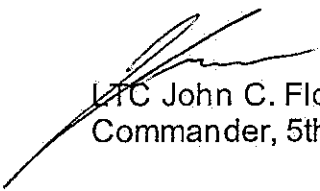

Fort Leonard Wood is an amazing place to live, work, and grow. You'll find a dynamic community with something for everyone, no matter the season. We're proud to be the only FORSCOM unit on post, and we're committed to making sure you and your family have everything you need to thrive. From top-notch barracks for single Soldiers to all the services you expect from a great Army installation, we've got you covered. And don't forget the awesome towns of St. Robert and Waynesville right outside the gate!

Here at Fort Leonard Wood, you're stepping into the Home of the Engineer! That means challenging, cutting-edge training, and incredible opportunities to become a leader. The Fightin' Fifth operates on a bedrock of commitment and trust, allowing us to deploy, fight, and win – wherever duty calls. We're a team of experts, and we're always pushing ourselves to be better. You'll be busy, but you'll be building skills and experiences that will last a lifetime.

You'll be assigned to a Company soon, and your sponsor will be reaching out to answer all your questions. Don't hesitate to connect with them! If you need anything before you hear from your sponsor, the Battalion Staff Duty team is here to help at (573)-596-0140. A quick reminder as you travel: please be prepared for potential winter weather, and remember to register any firearms with installation DES before bringing them onto the installation.

Welcome to the Fightin' Fifth Family! We can't wait to meet you and see all that you accomplish.

VICTORY! ESSAYONS!

LTC John C. Floyd  
Commander, 5th Engineer Battalion

CSM Daron F. Martin  
Command Sergeant Major, 5th Engineer Battalion
