SENIOR OPERATIONS NCO
FORT LEONARD WOOD
HOMELAND DEFENSE/CIVIL SUPPORT OFFICE

Senior noncommissioned officer responsible for operations at the Fort Leonard Wood Homeland Defense/Civil Support office.

“

I wanted my family name to remain part of the less than 1 percent of the population that serves the greatest nation on the planet.

”

What are the benefits of working for the Army?

The Army is full of options and offers opportunities for success. You just have to be willing to work for it.

Medical care is another benefit. Surgeries for my children have cost upwards of \$20,000, and I have never paid a dime out of my pocket.

What made you decide to have a career with the Army?

I wanted my family name to remain part of the **less than 1 percent of the population that serves** the greatest nation on the planet.

What advice would you give to others who might be looking at joining the Army?

Leave everything behind that is non-conducive to the Army's standards, expectations and values, and **work for your team, not your next duty position.** Invest in the people you lead and follow.

What is your most memorable Army experience?

I was awarded the **Honorable Order of Saint Barbara in 2019** for demonstrating the highest standards of integrity and moral character. The

award is typically reserved for those who are field artillerymen.

What do you like most about your Army career?

I enjoy the **experiences I share with my peers.** The friends and family who you can find in the Army don't compare to that of your hometown.
