

## 763D

## EOD

Military Munitions are hazardous ammunition and explosive items used by the military and include **projectiles, rockets, bombs, landmines, grenades, and training ammunition**

Unexploded Ordnance (UXO) is a military munition that still contains hazardous material(s) and has not yet functioned

It is possible to encounter UXOs on Fort Leonard Wood, especially after winter thaw or when digging; **UXOs pose a real danger even if old or damaged.**

In the event a UXO is found, the **3 Rs** should be followed:

**FLW Contacts for UXOs [Report]:**

**Training Areas → Range Operations: 573-596-2525**

**Cantonment Area → MP Desk: 573-596-6141**

- **when you may have encountered a munition and that munitions are dangerous.**
- **do not approach, touch, move or disturb it, but carefully leave the area.**
- **call 911 and advise the police of what you saw and where you saw it.**
