Fort Leonard Wood, Missouri

## MSCoE Sends: Celebrating Presidents' Day

On Monday, we will celebrate Presidents' Day. This annual tradition gives us time to recognize, remember and honor the service of America's Presidents.

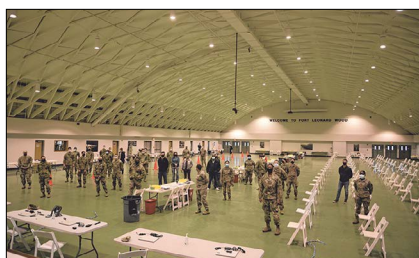

## SMA visits Fort Leonard Wood

Sgt. Maj. of the Army Michael Grinston visited Fort Leonard Wood Feb. 8 and 9 to engage with leaders and Soldiers here on People First priorities and other quality-of-life initiatives.

## Post leaders update COVID-19 guidance, policies

As leaders here continually assess COVID-19 protection and mitigation measures, the Maneuver Support Center of Excellence and Fort Leonard Wood commanding general has updated guidance and policies regarding the installation's COVID-19 control measures.

## GLWACH hosts on-post mass-vaccination event

Army caregivers from General Leonard Wood Army Community Hospital were on hand Friday and Saturday at Nutter Field House, supporting the Department of Defense's COVID-19 vaccination initiative.

## **People First: How one Soldier's battle buddies, drill sergeant helped him travel across the country for the birth of his son**

Pvt. Tyrell Hicks had just completed Basic Combat Training here when he got the call that his wife was going into labor with their first biological child.

## **Engineer Soldiers bring their expertise to the post's SNAIR program**

To help keep the community safe through the winter months, a small team of Soldiers here standby to augment the installation's Snow and Ice Removal program, commonly referred to as SNAIR.

## **COVID-19 presents issues to heart health**

February is National Heart Health Month. According to the Military Health System, there are several risk factors for heart disease and stroke that Soldiers and civilians alike should keep in mind, including high blood pressure, smoking, obesity, inadequate intake of fruits and vegetables, physical inactivity and high cholesterol.

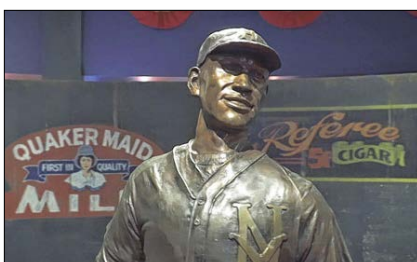

## **Protecting pets from the cold**

The Humane Society of Missouri wants pet owners to remember its life-saving motto as weather gets colder this winter: 35 degrees and below, protect Fido!

## **Clarke Library celebrates Black History Month, updates services**

The Bruce C. Clarke Library is celebrating Black History Month with a variety of books, media items, resources, displays and events.

## **Celebrate Black History Month online**

This year, in the midst of COVID-19, several museums dedicated to conserving Black history — including a number of Missouri museums — have created virtual spaces online to give the public safe and convenient ways to discover that history for themselves.
