Fort Leonard Wood, Missouri

MSCoE Sends: April is National Sexual Assault Awareness and Prevention Month

In April, we observe National Sexual Assault Awareness and Prevention Month, or SAAPM, to reaffirm our commitment to eliminate sexual assault, sexual harassment and retaliation against survivors. It is our responsibility to protect every member of our team and to foster dignity and respect.

MSCoE Sends: Celebrating the Month of the Military Child

Military service is a family commitment. While those in uniform defend our freedoms at home and abroad, their families serve and sacrifice as they support their Soldiers, Marines, Sailors and Airmen.

DES: Declare firearms at post access points

The Fort Leonard Wood Directorate of Emergency Services reminds everyone entering Fort Leonard Wood that firearms must be unloaded and declared to access control point personnel.

Mentorship ride events highlight motorcycle safety

Spring marks the beginning of motorcycle-riding season for many, and units here are hosting mentorship rides to ensure everyone is ready to enjoy their hobby.

‘Run toward the sound of chaos:’ Fort Leonard Wood Soldier saves man trapped in burning car

While driving through Crocker, Mo., in the early morning hours of Jan. 23, Sgt. 1st Class Matt Mobley, noncommissioned officer in charge of range maintenance at the Combat Training Company, saw something in a gas station parking lot that caught his eye.

3rd ROTC Brigade cadets compete at Black Hawk Ranger Challenge

Ten teams of cadets from 3rd ROTC Brigade, U.S. Army Cadet Command, competed here this weekend in the Black Hawk Ranger Challenge — a two-day contest designed to test the future officers’ combat skills and general military knowledge.

Teams readying to compete for Best Sapper title

April 1 marks the closing day of registration for the 14th Lt. Gen. Robert Flowers Best Sapper Competition, and U.S. Army Engineer School leaders will next evaluate all of the two-person teams and compile a final list of competitors. The three-day event is set to take place here May 1 to 3.

‘Earth Day Challenge’ starts April 1

The Directorate of Public Works Environmental Division has taken virtual-event planning to the next level, expanding its traditionally single-day Earth Day celebration into a 22-day virtual challenge filled with 10 different online activities.
