**Distribution Restriction:** Distribution authorized to U.S. Government agencies only

**Destruction Notice:** Destroy by any method that will prevent disclosure of contents or reconstruction of the document

**Foreign Disclosure: FD3** - This training product has been reviewed by the developers in coordination with the MSCOE foreign disclosure officer. This training product cannot be used to instruct international military students.

**Target Audience:** These are tasks that a 740A CW3 CBRN Technician and above must be able to perform.

Total Number of Tasks: 27

- **Training Domain/Location Column** – identifies the training location and the Leadership Domain (Institutional, Operational, or Self-Development) where the task is first trained to soldier training publications standards. If the task is first trained to standard in the unit, the word “OP” will be in this column. If the task is first trained to standard in the training base, it will identify, by brevity code (S-D, INST), the resident course where the task was taught.
- **Sustainment Training Frequency Column** – indicates the recommended frequency at which the tasks should be trained to ensure soldiers maintain task proficiency.
- **Sustainment Training Skill Level Column** – lists the skill levels of the MOS for which soldiers must receive sustainment training to ensure they maintain proficiency to soldier’s manual standards.
