If you have been issued a camelback in the past, you must bring it, if you are not sure if it is on your clothing records and you have a camelback, bring it anyway.

ATSE-DEB SUBJECT: EBOLC Packing List 3

ATTACHMENT A

You will be issued a complete set of TA-50 upon arrival at EBOLC, but you may or may not be issued Gore-Tex, polypropylene. You will be conducting several Field Training Exercises (FTX) regardless of weather, it is highly recommended that you bring extra cold weather undergarments (Military Issue) if you will be on FLW between OCT and APR. Read AR 670-1, Appendices B-E (page 330), which tells you which uniform items you are required to have/purchase.

The beret is worn during graduation, ACU patrol cap is worn for daily training and outdoor practical exercises.

ENGINEER SCHOOL PATCH: ALL STUDENTS regardless of follow-on assignment or component will wear the U.S. Army Engineer School patch (shown below). If you can't get one of these at your current location, contact the Fort Leonard Wood Military Clothing Sales at (573) 596-0131 ext 6-1502 for assistance. Patch must be either OCP or UCP color depending on which uniform you wear.

ENGINEER BUTTONS: All students, regardless of component, are required to have engineer buttons on their ASUs.
