   a. The Fort Leonard Wood Historical Program, as defined and directed by the Historical Board, is an element of the Command’s major mission responsibilities.
   b. The Board is ultimately responsible for placing history at the service on the Command. The Board’s principal areas of focus are training, doctrine, and unit esprit.

   a. To embed military history into the training and professional development of all trainees, students, staff, faculty, and cadre. This includes, but is not limited to, military history classes, the integration of military history into all areas of instruction, and the development of basic research skills for cadre, staff, and faculty.
   b. To apply historical research to the development of doctrine and concepts. This includes research on the historical dimension of the lessons-learned process.
   c. To memorialize significant historical individuals, units, events, or places.
   d. To commemorate historic events.
   e. To identify, collect, and preserve information, artifacts, sites, and properties, which have historical significance.

5. Organization.
   a. The composition of the Historical Board is as follows:
      Chief of Staff
      Commander, Garrison Command
      Commander, 3rd TNG BDE
      Assistant Commandant or Representative, USAES
      Assistant Commandant or Representative USACMLS
      Assistant Commandant or Representative, USAMPS
      Staff Judge Advocate
      Commandant, NCOA
      Senior Service Rep, ITRO
      Civilian Historian (One Year Appointment)
      DRM (IMA& Mission)
      University Missouri Rolla – History Department (non-voting member)
   b. The Military History Task Force is as follows:
      Branch Historian
      Branch Museum Directors
      Military History Instructor – DCLT
      Staff Archaeologist – Director of Public Works
      Installation Master Planner – DPW
      AAFES Bookstore Representative
      Other personnel as required by Historical Board taskings.

6. Procedures.
   a. The Historical Board will meet quarterly (or more often if called into session by the Board Chairman)
   b. The Military History Task Force will meet as needed to complete taskings from the Historical Board.

7. Objectives.
   a. To identify, capture, preserve, and disseminate historical information to support the development of doctrine, enhance training, improve morale and esprit, and foster professional development.
   b. To identify, capture, and preserve significant artifacts, properties, and sites which are part of the history of the branch and the installation.
8. Responsibilities.

a. The Historical Board is responsible for the overall supervision and direction of the Fort Leonard Wood Historical Program. The Board provides guidance and issues specific tasks to the Military History Task Force for execution. When required, the Board makes policy recommendations to the Commanding General.

b. The Military History Task Force implements the guidance of the Board and completes tasks received from the Board.

c. The Garrison Command Office serves as the Board’s executive agent for the Military History Program. In this capacity, the Garrison Command Office will prepare the agenda for Board meetings, and record the Board’s deliberations and instructions.
Appendix A
MEMORIALIZATION PROGRAM

A-1. Purpose. This regulation outlines policies and responsibilities for Fort Leonard Wood (FLW) Memorialization Program and Military History Task Force/Board in keeping with tradition established by the Department of the Army to honor its deceased heroic and distinguished personnel and to present them as inspirations to their fellow soldiers, employees, and other citizens.

A-2. References and forms.

a. Required references.

(1) AR 1-33, Memorial Programs. (Cited Applicability Statement).

(2) AR 40-4, Army Medical Department Facilities/Activities. (Cited in paragraph 61(1).

(3) AR 165-1, Chaplain Activities in the United States Army. (Cited in paragraph 6h).

(4) AR 870-5 (Military History; Responsibilities, Policies and Procedures).

(5) AR 870-20 (Army Museums, Historical Artifacts, and Art).

(6) TRADOC 870-1, (U.S. Army Training and Doctrine Command Military History Program).

b. Referenced form. DA Form 4283, Facilities Engineers Work Request – XA, XFB, XFC.

A-3. Mission. To implement a Memorialization Program at FLW.

A-4. Responsibilities.

a. Garrison Commander. The Garrison Commander has overall responsibility for the Fort Leonard Wood Memorialization Program. When Department of the Army serves as a host installation for joint Service activity, memorial actions may also be approved for members of the other Services. This must be coordinated with the other Service.

b. Sponsoring Organization. Organization having overall responsibility for facility to be memorialized will develop a list of candidates and forward a recommendation for approval. Upon memorial, the sponsoring organization will plan and conduct an appropriate ceremony in coordination with the Directorate of Plans, Training & Mobilization (DPTM).

c. Military History Task Force. Military History Task Force will assist sponsoring organizations in developing a list of candidates.

d. Fort Leonard Wood Historical Board. The Fort Leonard Wood Historical Board will vote on the recommended candidate(s) and make a final recommendation to the Commanding General.

e. Military Personnel Officer (MILPO). The Military Personnel Office will assist the sponsoring organization in obtaining official information on prospective candidates. Official information may be obtained by submitting a letter of request to the General Services Administration, National Personnel Records Center, Military Personnel Records, 9700 Page Boulevard, St. Louis, Missouri 63132. A minimum of 60 days must be allowed in obtaining requested information.

f. Funding and Maintenance. Sponsoring organizations are required to maintain the equipment, plaque or sign. Each organization when developing their annual budget should request the funds to cover annual maintenance costs. Equipment display rotation will be the responsibility of the sponsoring organization.

a. The sponsoring organization, with assistance from the Military History Task Force, will develop a list of candidates and make a recommendation to the Garrison Commander.

b. Garrison Commander submits the recommendation to the Fort Leonard Wood Historical Board.

c. The Fort Leonard Wood Historical Board considers the candidate(s) and makes a final recommendation to the Commanding General for approval.

d. Upon approval, the Garrison Commander will inform the sponsoring organization, who will then initiate planning for the memorialization ceremony (appendix A).

e. Memorialization Process. (appendix E)

a. Candidates for memorialization must be deceased and meet one of the following criteria:

(1) Demonstrated valor in battle recognized by citation or award (generally by Medal of Honor, Distinguished Service Cross, or Silver Star).

(2) Officially cited for distinguished achievement, recognized citation;

(3) Cited for career distinguished service (supported by specific examples of significant and
long-lasting contributions to the installation, Corps of Engineers, Military Police Corps, Chemical Corps, or Other Commands on Fort Leonard Wood).

b. Existing names, which have the benefit of common usage or which appear on the latest official maps will not normally be altered.

c. Existing buildings, already known by their functional use or numerical designation, will not normally be memorialized.

d. Temporary-type buildings or facilities not already memorialized will not be memorialized. The transfer of a name from a temporary building to a permanent unmanned building will require approval of the Historical Board.

e. Forest area will not ordinarily be named.

f. Generally, no two facilities will bear the same name. Where two individuals have the same surname, the second facility will bear the given name, middle initial, and the surname, as: Doe Hall; John J. Doe Hall.

g. A religious facility will be designated by its location, a letter or number, or the name of the installation or unit using the building. Chapels will not be named for any person, living or dead, or designated by a name or term suggesting a distinctive faith group (AR 165-1).

h. Common-use areas within buildings, such as auditoriums, can be memorialized, but individual rooms with restricted usage (such as classrooms) will not be memorialized.

i. Medical Facilities.

(1) Army Medical Department (AMMED) facilities, or rooms in AMMED facilities, will be named for deceased AMMED members selected from the name listing maintained by the Surgeon General (AR 40-4).

(2) A Dental Activity (DENTAC) will be designated “U.S. Army Dental Activity” and identified by adding its location (for example, U.S. Army dental Activity, Fort Leonard Wood, Fort Leonard Wood, Missouri).

(3) A dental or troop medical clinic, located in a separate building, may be named (for example, Harper U.S. Army Dental Clinic, Fort Leonard Wood, Missouri).

j. Other facilities specifically identified with one branch of service will be named for a person of the appropriate branch in accordance with (IAW) current regulations.

k. All other facilities as categorized below will be named in accordance with the following qualifications.

(1) Streets (enlisted housing area) – enlisted Medal of Honor, Distinguish Service Cross, or Silver Star recipients.

(2) Streets (officer housing area) – distinguished officer.

(3) Street in General – State name according to area served.

(4) Community Clubs or Recreation Centers – enlisted person with distinguished service or a distinguished officer.
