
Yakima Training Center ROE Informational Meeting

Subject Matter Experts available to discuss:

- Rights of Entry (ROE) process
- Point of Entry Treatment (POET) filtration systems
- YTC's Remedial Investigation process
- Water sampling

Army officials will be available to discuss several topics related to its PFAS Remedial Investigation. POET system components will also be on display and engineers will be on hand to discuss installation, how it works, and the Army's continued system maintenance.

You're invited

**Saturday
March 16, 2024
9 a.m. – 1 p.m.**
